The second volume of Henry Morley's "English Writers" (Cassell & Co.) carries the survey of English literature from Coedmon to the Conquests, by paths so dry and sterilo that it is quite hopeless to expect anything less compelling than the enthusiasm of learning will cause the book to be read. Mr. Morley ndant extracts from the early writers, and t of them are from the theologians, who were not less arid than later. Nor does Mr. Morley relieve dulness of the history by the brilliancy of his own style, which has unfortunately been "subdued to what it works in like the dyer's hand." The cynical student will, we fear, be apt to conclude, before he reaches the close of the volume, that the Norman Conquest did not come a day too soon, and that people whose literature had previously been as stupid as the English deserved no better fate than enrolment in the Domesday Book

Mr. William Cushing has prepared a second series of his "Initials and Pseudonyms" (Thomas Y. Crowell & C.), the new volume containing 6,500 initials and lonyms, answering to 4,800 real names. Such a ork, he observes, "constantly changing and growing is practically inexhaustible; but strenuous care has on exercised in making the work accurate and as The fact that the same complete as possible." idonym has frequently been used by several writers is of course confusing, and the very common em-ployment of asterisks and dashes in the stead of of ther initials or pseudonyms must have greatly ined the difficulties of compilation. Indeed, seems impossible, and equally unnecessary, to catalogue all the scribblings printed under such common disguises as "A Friend," "An Amateur," "Cato," "Publicis," "Junius," and the half-hundred stock pseudonyms which have for several generations been topted by every other writer of the average letter the local newspaper, or of the average pamphlet, controversial or expository. The attempt to register even a small part of such writers must of course render Mr. Cushing's task practically endless, as he timates; but it is perhaps open to question whether in this field the labor may not be greater than the alue of the results. As a whole, however, the diction ary of initials and pseudonyms is a decidedly useful compilation, and most faithfully executed.

BOOKS OF THE WEEK.

Notice of Sale of Bonds.

OFFICE OF COUNTY CLERK AND RECORDER OF JEFFERSON COUNTY.

Boulder, Mont., May 1, 1888.

NOTICE is hereby given that the Board of County Commissioners of Jefferson county, Montana Territory, will offer for sale to the highest bidder for cash, on the 18th day of June, A. D., 1888, at 12 o'clock m., at the court house at Boulder, the county seat of said county, the coupon bonds of said county to the amount of forty thousand (\$40,000) dollars. Said bonds shall be of the denomination of five hundred (\$500) dollars, and dated the day of the sale thereof, and shall be payable in twenty years after the said date, and redeemable after five years after said date at such time as the said board shall determine, and shall bear interest at the rate of 6 per cent per annum, interest payable semi-annually on the first day of January and July of each year. Said bonds and interest payable at the office of the Treasurer of said Jefferson county.

Scaled proposals for the purchase of said bonds will be received at the office of the County Cierk, at said town of Boulder, up to said time of saic. Said bonds will be sold to the highest cash hidder, but no bonds will be sold to the highest cash hidder, but no bonds will be sold for less than the part value thereof.

Said bonds will be issued for the purpose of erecting a court home under authority of Soctions 756, 795, 798 and 797, of the General Laws, 5th Division of the Compiled Statutes of Moutans, and under an election held thereunder on April 21, A. D. 1888, at which time the eard over the county Cierk.
